

Early Bilinguals' Attitudes Towards Code-Switching in Monterey County

Linda R. Flores
Advisor: Dr. Gabriela C. Zapata

Significance of the Study

- Analyzes the different attitudes that people have on code-switching
- Explains why some people view it negatively/positively

Research Questions

- What is code-switching?
- What causes code-switching?
- Is it consider acceptable in this region?
- Who is more likely to do code-switching?
Who is not?

Methods of the Study

- Go over articles that are about code-switching and studies related to it
- Use data given by Dr. Zapata
- Analyze given data

Timeline

- February: go over articles, and have outline done
- Beginning of March to Mid-March: have data and analyze it
- Mid-March to April: write paper
- May: practice presentation
